8.7	Does the University follow self-appraisal method to evaluate teachers on teaching, research and work satisfaction? If yes, how is the self-appraisal of teachers analysed and used? Whether:- Self Appraisal Evaluation Peer Review Students evaluation Others (specify) Attested by <i>G. S. S.</i> <i>11/8/25</i>	The University follows feedback method for appraisal of the faculty members. It involves following steps: <ul style="list-style-type: none"> Students give feedback on the performance of faculty members towards the end of each year. Teachers perform a self-appraisal through format devised by the University, to evaluate the teaching-learning-evaluation process, participation in governance and contribution towards institution building The Head of Departments evaluate the faculty on a set of criteria based on role descriptions put in place by the Human Resource Department. The Human Resource Depart forwards the results of these appraisals to a sub-committee of the Board of Management set up for this purpose. HRD decides upon required training and up gradation and initiates programs to ensure that training and up gradation requirements are met.

16. Strength and Weakness of the University

16.1	Strength of the University	Strengths of Sona Devi University <ol style="list-style-type: none"> 1. Commitment to Inclusivity and Accessibility Sona Devi University is dedicated to providing an inclusive environment for all students. The university is equipped with barrier-free infrastructure, including lifts, ramps, and accessible restrooms. Additionally, the SEDG Cell supports students from socio-economically disadvantaged backgrounds, ensuring equal access to educational resources and opportunities for all. 2. World-Class Sports and Wellness Infrastructure The university provides state-of-the-art sports facilities and comprehensive wellness programs. With outdoor and indoor sports complexes, yoga and fitness initiatives, and regular wellness events, SDU promotes the physical and mental well-being of its students, faculty, and staff. 3. Experienced and Committed Faculty SDU is home to highly qualified faculty members who are dedicated to academic excellence. The faculty brings a wealth of knowledge and practical experience, ensuring that students receive the highest quality of education. 4. Strong Industry Collaborations and MoUs The university has established numerous Memorandums of Understanding (MoUs) with prominent national and international organizations. These collaborations provide students with access to internships, career opportunities, and valuable exposure to industry trends, enhancing the university's professional network. 5. Financial Assistance and Scholarships SDU ensures that students from financially disadvantaged backgrounds have access to various scholarships and financial aid programs. The university is listed on the Jharkhand E Kalyan Portal and the National Scholarship Portal (NSP), facilitating access to government-sponsored scholarships and fee waivers.

		<p>6. Modern and Functional Infrastructure The university campus is equipped with modern classrooms, well-equipped laboratories, and an extensive library offering both digital and physical resources. These facilities contribute to a conducive learning environment for students and faculty.</p> <p>7. Social Responsibility and Community Engagement Through the SEDG Cell, SDU supports students facing socio-economic challenges by offering financial aid, academic assistance, and career development opportunities. The university's dedication to community engagement underscores its commitment to social responsibility.</p>
16.2	Weakness of the University	<p>Weaknesses of Sona Devi University</p> <p>1. Limited National and International Recognition As a relatively new institution, Sona Devi University is still in the process of establishing itself in national and international rankings. There is a need to enhance its global presence through greater participation in accreditation processes and ranking systems to attract more attention from prospective students and faculty.</p> <p>2. Reliance on Government Schemes for Financial Aid While government scholarships through the Jharkhand E Kalyan Portal and NSP provide essential support, the university's financial aid system is somewhat reliant on these external schemes. Increasing the number of internal scholarships and exploring private funding options would offer more comprehensive financial assistance to students.</p> <p>3. Emerging Alumni Network As a new institution, the alumni network is still in its early stages. Building a robust alumni association and strengthening the connection between past and current students will help enhance mentorship, career support, and networking opportunities for students.</p> <p>4. Need for Expansion of Specialized Programmes While SDU offers a broad range of programs, there is a need to introduce more specialized and advanced courses that align with emerging global trends, particularly in fields like data science, artificial intelligence, and sustainable development. This would further differentiate the university in the competitive higher education landscape.</p>
