About SDU

The Best Private University in Jharkhand

Sona Devi University, established by The Sona Devi Memorial Educational Foundation Trust, is a prestigious institution located in the picturesque state of Jharkhand. Committed to academic excellence, research, and holistic development, our university offers a wide range of programs across multiple disciplines. We aim to nurture the next generation of leaders and innovators who will make a positive impact on society.

At Sona Devi University, we believe in providing a conducive learning environment. Our highly qualified faculty members are dedicated to delivering quality education and mentorship to our students. We offer state-of-the-art infrastructure, modern classrooms, well-equipped laboratories, digital learning resources, and industry collaborations to ensure a holistic learning experience.

We are proud to be recognized by the University Grants Commission (UGC) under the UGC Act, 1956. This recognition validates the quality of education we provide and ensures that our degrees and certifications hold value in the professional world.

Join us at Sona Devi University and embark on a transformative educational journey. Discover your passions, develop your skills, and become a catalyst for positive change in your chosen field. Together, let's create a brighter future.

Vision

Sona Devi University envisions becoming a globally recognized center of learning, innovation, and excellence. Our goal is to nurture future leaders, innovators, and entrepreneurs by providing cutting-edge education, fostering intellectual curiosity, and promoting ethical values. Through research, technology-driven education, and industry collaboration, we aim to contribute meaningful to societal development and nation-building.

Mission

To provide high-quality, value-based education that empowers students with knowledge, skills, and professional competencies.

To foster an inclusive and diverse learning environment that encourages innovation, research, and critical thinking.

To bridge the gap between academia and industry through strategic collaborations and an industry-focused curriculum.

To support meritorious and talented students through scholarships and skill development programs, ensuring accessibility to quality education.

To contribute to human development by enhancing employability, promoting entrepreneurship, and improving the overall quality of life.

To uphold the highest ethical standards and create a stimulating environment for students, faculty, and staff to achieve personal and professional growth.

To establish global partnerships that facilitates academic excellence and cross-cultural learning experiences.

From the Desk of Founder & Chancellor

I am delighted to welcome you to Sona Devi University Ghatsila, Jharkhand . We dedicate this University to Late Mrs Sona Devi who stood for value and integrity in her entire lifespan. With my experience of 25 years in field of school education we realised the need for higher education for the students of the state and in the Eastern zone of the country.

We aspire to make this university to be a centre of Learning, Discovery,Innovation and Promote Enterprenuership. University will provide high-quality education to its students, prepare them for their future careers, and contribute to the advancement of knowledge through research and innovation. To foster a diverse and inclusive campus community, that values different perspective and experiences and promotes mutual understanding and respect. University will engage with local and international communities through alliances and partnership to promote high standard of Intellectual curiosity.

The university willl uphold high ethical standard and enable supporting and stimulating environment for faculty, staff and students in promoting personal and professional growth with better quality of life.

As we expand the reach of the University in the years to come, we will introduce new and cutting edge specializations which are contemporary and would be the future of enterprising careers. University is equipped with modern facilities, inspiring teachers, and have established alliances with various collaborations which will help students experience the best of education in today's 'connected world'.

To enrich Skill Development in various sectors and in collaboration, University will work towards improving Human development Index with employbility and in creating sustanaible HDI.

We welcome students to be inspired by their ambition and be a part of SDU. I invite you to be part of a great journey of learning & career development at Sona Devi University.

MR. PRABHAKAR SINGH
Founder & Chancellor

A Note from the Vice Chancellor

Welcome to Sona Devi University, a hub of excellence, innovation, and holistic development. At SDU, we are committed to nurturing talent, fostering intellectual growth, and bridging the gap between academia and industry. Our vision is to create a globally recognized institution that empowers students with knowledge, skills, and values, preparing them for leadership in their chosen fields.

With state-of-the-art infrastructure, cutting-edge research opportunities, and a dynamic learning environment, SDU offers a platform where students can thrive academically and professionally. We emphasize skill development, entrepreneurship, and interdisciplinary learning to equip students with the competencies needed for the ever-evolving global landscape.

I invite you to embark on this transformative journey with us. Together, let's shape a brighter future through education, innovation, and integrity.

PROF. (DR.) BRAJ MOHAN PAT PINGUA
Vice Chancellor

Message from Registrar

Welcome to Sona Devi University. We are committed to providing a well-structured, transparent, and student-friendly academic environment. The University ensures efficient academic administration, timely examinations, and responsive student support services to help learners focus on their educational goals.

Our aim is to maintain high standards of discipline, integrity, and service while continuously improving institutional processes. I encourage students to actively engage in academics and co-curricular activities and make the most of the opportunities provided by the University.

Wishing you a successful and fulfilling academic journey at SDU.

DR. NIT NAYANA
Registrar
